► PROFILE

I am a creative-minded, solutions-driven software developer with a passion for intuitive design and function. My previous experience as a full-time touring musician informs everything that I do: from my ability to adapt and adjust plans quickly to finding efficient, concise solutions for challenging problems. My work ethic is reflected in my work, whether I am collaborating with my team to execute thoughtful user experiences or working on my own web-based passion projects.

► PROFESSIONAL EXPERIENCE

SOFTWARE DEVELOPER

(March 2016 - Present)

GENERAL ASSEMBLY Seattle, WA

- A top performing student in a full-time 12-week immersive course focusing on full stack web development.
- Mastering HTML, CSS, JavaScript, jQuery, Node.js, PostgreSQL, Ruby on Rails, AngularJS, Responsive mobile applications, and more.

FOUNDER

(October 2013 - Present)

BACHELOR GOODS Seattle, WA

- Operate a small business focused on providing top quality handmade leather carry goods for men.
- As a one-man operation, I am responsible for everything from product manufacturing to website design and maintenance using Photoshop, Illustrator, HTML, and CSS.

BASSIST/PRODUCTION MANAGER

(June 2011- March 2016)

ALLEN STONE Seattle, WA

- Traveled the world, performing 200+ shows per year supporting major label artist.
- Responsibilities included coordinating equipment requirements for tours/festivals, advancing stage configurations, and assembling hired horn sections around the world.
- Appeared on The Tonight Show, David Letterman, Jimmy Kimmel Live, Conan, and Ellen. During this time also performed with Macklemore, Dispatch, OAR, and members of the Dave Matthews Band, Bon Jovi, Jack's Mannequin, and Soulive.

INSURANCE SALES SPECIALIST

(November 2009 – June 2011)

STATE FARM INSURANCE Seattle, WA

- As a fully licensed member of a 3-person sales team I contributed to a 25% increase in office revenue.
- Helped office achieve State Farm's top tier status for office life insurance sales, and improved client retention by 10%.
